• Daily training programs of mild exercises, physiotherapy, social and amusement activities by specialists including qualified physiotherapist, psychologist sociologist, speech therapist and social worker
• Observation and administration of medical treatment
• Personal Hygiene Services
Rehabilitation in Cyprus at the Privilege Centre of Living

Privilege Centre of Living also offers a variety of amenities to its residents including:

- Outdoor pool
- Gardens all around the building
- Car-Park
- Physiotherapy room
- Big and spacious pedestrian ways for walking
Rehabilitation in Cyprus at the Privilege Centre of Living

The complex of private apartments located right next to the Centre, will benefit the services that Privilege Centre of Living has to offer and also enjoy their privacy and relaxation whether that is by being part of the Privilege community, or enjoying their private flat that will make them feel “like home but more”.

Apartments offer a breathtaking view, urban tranquility and daily cleaning service, advanced security systems, autonomous heating, air-conditioning and ergonomic furniture. Residents can chose between a range of aesthetically pleasing rooms and apartments in varying sizes(single bed, double bed, 1 bedroom, 2 bedrooms) and décor allowing them to form their own personal environment.
